

Invitation for Bids
Painting of Historic Buildings
Moultonborough, NH
March 15, 2012

Addendum #1 Issued March 1, 2012

1.) There is NO change in the bid due date!

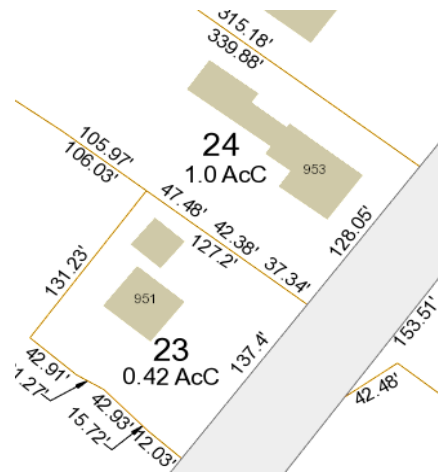

2.) Do these buildings contain lead paint that has to be addressed?

You may [Click Here](#) to see the lead inspection reports. Anything you need to do to undertake your work under these conditions, or mitigate it to a sufficient degree to undertake your work, are within your pricing.

3.) Is there a place, inside or out, to connect a garden hose?

There is no water source at the buildings themselves. However, there is a water connection on the west side of #953 Whittier Highway.

The Moultonborough Historical Society will allow you to use that without cost.
